Remembrance Day ceremony took place before fall break.

School photos took place; retakes will be after Christmas.

Due to the strike, the Christmas concert is canceled. This allows more time for learning and instructional time. There will be a spring concert for students in spring of 2026.

Portables have arrived.

STA has hired a music teacher for Grades 4-6.

### School Council

Adam shared his commitment to the school council and exploring ways to help it grow and be more effective. There are grants that we can apply for as well we can have a say in the Alberta Education curriculum changes.
