

STA School council

December 17, 2024

In attendance Adam Brown, Jenna Schmidt, Melissa Gibson, Dan Pagnucco, Anna Gomez, Janice David, Carol Caines, Rachel Siderius

Call to order 6:34 by Adam Brown

Review of previous meeting minutes

The Christmas concert was a success overall and it was great to see families sharing their two allotted tickets. Some changes for next year would be to clearly ask families not to stand while viewing/filming their child so that all families can see. Videos of the concert are on google classroom. Other venues with a stage will be explored for future years.

Principal report

Portables are still not ready, Mrs. Gomez is hoping piping will be installed over the holidays but there is no guarantee. To address the high classroom needs, admin has decided to split elementary classes; Kindergarten, Grades 2-5. The Grade 1 classes are lower than the other classes. Admin will send an email to families letting them know about the upcoming changes.

Questions/concerns

A parent expressed concerns as some parents at drop off are parking in the crosswalk area making it unsafe. Admin will have parking enforcement come out and ensure parents are parking in designated areas. They will also look into pylons to clearly indicate undesignated parking areas.

Meeting adjourned at 7:09
