- Jr High using Power School updates regularly

Q-What about all learners? How are honor students being helped up? This is part of the PD to lift all learners up

Q-Where did Power School go for younger grades? P.S. is here to stay, it was not intended for younger grades. Feedback from parents and teachers is it not good for younger grades

Q-Handwriting? Cursive is not in the curriculum from committee of Alberta learning.

Q-Textbook Learning? How to support from home? 1) Ask teachers at demo of learning 2) Have communications through the planner 3) Resources through the [ecsd.net](https://www.ecsd.net/cirriculum) website 4) <https://www.ecsd.net/cirriculum>

Q-No lunch supervisors in younger grades? Have lunch supervisors with meters of room. They are in the halls

Q-Overcapacity issue? Dual boundrary in Paisley should eleviate some pressure. Hoping for new portable to come online September.
