School council meeting minutes
April 13, 2026

Attendees: Sarah Palmer, Adam Brown, Melissa Gibson, Carol Caines, Rachel Siderius.
STA staff in attendance: Anna Gomez, Christine McKee.
Note; parents attended virtually as well.

Call to order at 6:06 by Adam Brown
Prayer
Land acknowledgement

Approval of previous minutes, approved by Carol and seconded by Sarah.

Updates from March Meeting with Jon Morgan:

-Playground zone will be expanded along Desrochers Blvd west to Duke crescent to cover the length of the playing field.
-Desrochers Blvd and Duke crescent identified for further flashing beacon upgrade. Shortlisted for 2027 to 2030 to budget cycle.
-No windrow zone refused as there is a Boulevard with sidewalk installed beyond this point.
-Chapelle Rd SW, Desrochers Blvd and Heritage valley trail intersection will be having traffic lights once road widening has been completed. Expected 2027.
-Additional stop sign (change to an all way stop has been declined.)
-Convex mirrors are not installed anymore as traffic devices as they have been found to be ineffective.
-Bike racks can be requested using a specific form job sent. He listed new bike racks installed by FMM as part of the Heritage valley district park project.

Sarah will follow up with Jon to clarify misunderstandings: 1) Location of crosswalk with lights, Desrochers drive and Davidson Wynd. 2) Playground zone to be extended towards Dixon landing. 3) Windrow zone-current area is not clearly outlined. 4) Clarification on location of intersection requiring three way stop signs (141 street, Heritage valley trail SW, Desrochers.) Additional points to be clarified.

*Sarah to ask Jon when can we anticipate crosswalk lights being installed.

*An electronic sign in the neighbourhood has posted that Desrochers Blvd will be closed starting April 20th. Sarah to ask Jon to find out more information.

Principal report
-Spring concert was very well attended. Admin is starting to plan for Christmas and for the spring concert next year.
-Demo of learning was well attended.

-Mrs Gomez shared good news that the school has secured a classroom complexity teacher. This teacher will go into various classrooms within the school and support students with complex needs.

Alberta school council association-Adam shared that the AGM will be on April 26, 2026. Hybrid participation is available.

6:55 adjourned.
